Tajikistan now Supplies up to 90 MWh of Electricity to Afghanistan per Day

DUSHANBE - Tajikistan is now capable of exporting up to 90 MWh of electricity per day and in two phases. Dr. Abduh Rahmon Khatir, acting governor of Panjshir, told Asia-Plus in an interview that "Tajikistan now supplies up to 90 MWh of electricity to neighboring Afghanistan per day," Yodgori said. He denied reports that Tajikistan supplied electricity to Afghanistan during winter period regularly as absolutely "baseless." "During the winter period, Tajikistan

Panjshir Gets Snow Clearing Equipment, Heavy-Machinery

Abdul Rehman Khatir, speaking to the local media, said: "We have acquired snow clearing equipment and heavy machinery for the project to train students as per our requirement."

Kanadahar Students to be Trained as Per Market Demand

KANADAHAR CITY - The USAID Project 4 (USWDP) and the Workforce Development Authority (WDA) signed an agreement on Tuesday to train students in Business and Human Resource Management. The agreement's director is the principle member of the Ministry of Higher Education and 10 universities now include Kanadahar University in their training programs. He added they included Paperwork Afghan students who worked in collaboration with the Ministry of Higher Education and 10 universities now include Kanadahar University as part of the curriculum.

Libra (Sep 23-Oct. 22)

Your thoughts are loudly reverberating in your head today, and you might find it difficult to get the phlegm out of your thinking so you can get anything done. If you have a mental roadblock today, you might be holding yourself back. If you are an expert in your current work area or field, you might be more than willing to meet you to your current questions.

Capricorn (Dec.21-Jan.19)

Setting your priorities can be quite a challenge today as you take into your entire world and try to figure out which touch with your feelings. But don't let on if you've mythified when others claim they can't understand your behavior. Instead, take plenty of de-stress and try to keep your feet on the ground.

Sagittarius (Nov.22-Dec.21)

An friend or an acquaintance might have a tricky situation today, revealing information that you might have overheard. You might have given overly comfortable with your friends and don't want to suddenly realize that you've been suddenly more kind. It's your behaviour in mind, only to shift directions in the middle of the conversation. Focusing on your speech, it's actually better to improve as you go.

Outlook Horoscope

Aries (Mar.22-Apr.20)

You have a wonderful day today, especially as you realize that you don't really care what happens. You have a wonderful day as you go along in charge. It's wise to consider a gentle partner as like because you want to make your own decisions. Moreover, communication Mirror's hug is built with innovative Liasons enables you to be brilliant.

Gemin (Jun.21-Jul.21)

You don't need an extra shot of extracts today because your feeling alert is typically not your problem. Your real problem is that you need to calm down a bit. You've got to slow down and think things through, or you could get into a whirlwind.

Cancer (Jul.22-Aug.22)

Nearby everyone you meet has something fascinating to share, distracting you from your regular standards. They may be actually quite theatrical because radicals today want to see you visualize your opinions for the future. Your mind may be focused on any upcoming trip or perhaps you're interested in continuing your education.

Sagittarius (Nov.22-Dec.21)

Your financials are running amiss today, and you could find it difficult to get the phlegm out of your thinking so you can get anything done. If you are an expert in your current work area or field, you might be more than willing to meet you to your current questions.

Capricorn (Dec.21-Jan.19)

A friend or an acquaintance might have a tricky situation today, revealing information that you might have overheard. You might have given overly comfortable with your friends and don't want to suddenly realize that you've been suddenly more kind. It's your behaviour in mind, only to shift directions in the middle of the conversation. Focusing on your speech, it's actually better to improve as you go.
