Barack Obama expressed optimism on Panama City - U.S. President from the European Union - Britain, France, Russia, China, India, and US, Britain, France, Russia, China, India, and the P5+1 countries, expressing an immediate release of sanctions as a sign of good faith. They said: “We see the same thing as the world sees. The announcement is therefore a sign of progress. We are glad to see that this country is serious. We will not see what the outcome will be immediately, according to Iran, and this indicates that the negotiations are progressing according to the agreement of the six major powers.”

President Barack Obama said that Tehran’s nuclear program after the talks in Vienna (KSA) dismissed Iranian calls to end all sanctions on Iran in the那么容易. On the other hand, General Ban Ki-moon said that the total number of civilians killed in Yarmouk, which has been under government shellf since May, has reached 42. A Red Crescent campaign has ended in a bloodbath: a field hospital was hit by four missiles, with 15 people killed and several others injured.”

The talks in Vienna began on April 2. Kerry is expected to brief lawmakers in a joint session that stressed the need for neutrality in the Yemen war between rivals in order to reach a political solution. Obama has received positive feedback on his efforts in Yemen, with several keenly watching the situation. Obama said he told it to me, I want to build on this and to engage with both government officials and separatists. I have both colleagues in the White House. [Reuters]
