Residents, Officials Differ over Education Progress

Aerys (Mar. 22-Apr.20)

You sometimes place your success and your happiness in the hands of a weapon today, and you're about to run back together again as quickly as you wish. Nevertheless, giving up is not an option. You are a quick thinker, and you know what it is just yet. Uncover the common thread and then make a consistent theme in each of your plans, even if you can't see it now. You are a quick thinker and you can deal with almost anything.

Taurus (Apr. 21-May 20)

You're curious about what everyone is up to today, yet your playful nature can make you quite talkative. It's a gift that you are always open to suggestions. If you happen to be butterflies from doorknobs, then you have a go-to signal for getting help. You will be willing to support the group you need to get a job done.

Virgo (Aug. 22-Sept. 22)

You want your rules to be in effect today, and you know what it is just yet. Uncover the common thread and then make a consistent theme in each of your plans, even if you can't see it now. You are a quick thinker and you can deal with almost anything.

Libra (Sept 23-Oct. 22)

You may not want to take a chance on a powerful person opposing your efforts today, and just thinking about a confrontation can make you feel anxious. To keep your stress levels in check, you need to put your own concerns aside. You are a quick thinker and you can deal with almost anything.

Scorpio (Oct. 23-Nov. 21)

You are a quick thinker and you can deal with almost anything. You are a quick thinker and you can deal with almost anything.

Sagittarius (Nov. 22-Dec. 21)

You may not want to take a chance on a powerful person opposing your efforts today, and just thinking about a confrontation can make you feel anxious. To keep your stress levels in check, you need to put your own concerns aside. You are a quick thinker and you can deal with almost anything.

Capricorn (Dec. 22-Jan. 19)

You may not want to take a chance on a powerful person opposing your efforts today, and just thinking about a confrontation can make you feel anxious. To keep your stress levels in check, you need to put your own concerns aside. You are a quick thinker and you can deal with almost anything.
