Cancer (June 21-July 22)

Expressing your emotions in a forthright manner is not tricky today, especially if you are an emotional person. It’s been a long time since you’ve had to stop and think before you spill your heart out. In the heat of the moment, you might say things you later regret or do things you’ll wish you hadn’t done.

Sagittarius (Nov.22-Dec.21)

You might not be in total control of your energy today as your awareness swings. Today might be one of those days where it’s hard to keep your energy in check; you might feel yearning to do just about anything, anywhere, with anyone.

Capricorn (Dec.21-Jan.19)

You have your own unique way of dealing, and your own special set of priorities. While you might not be able to rationalize all your priorities, you’ve got what is most important to you covered.

Libra (Sep.22-Oct.23)

You could be unusually chatty today today, especially if you’re the type who likes to keep your friends well informed. However, you might need to be careful about who you share your information with. That’s because some of your friends might not be as interested in what you have to say as you think they are.

Aries (Mar.21-April 19)

You’re quite pleased when you can get along without someone else’s help, particularly when it comes to a decision that’s vital to your self-confidence. However, if you don’t think that your self-confidence doesn’t follow into tomorrow, you can become so self-reliant that you don’t take into account the opinions of others. Today, you may need to listen to others before making important decisions.

Gemini (May 21-June 20)

You might run into some unexpected opposition today, but you don’t have to let that deter you. Just make sure that you’re not letting your guard down at all costs. You might find it helpful to work with others to make sure that you’re not giving in to pressure from those who are less than honest.
