 outbreak Horoscope

**Aries (Mar. 21-Apr. 20)**

You let your freak flag fly and flirt like there’s no tomorrow. You’re wild, carefree, and you love having the freedom to pursue a dream. This week, you’re likely to be exploring new ideas and possibilities. Be open to the unexpected and embrace the adventure of the unknown.

**Taurus (Apr. 21-May 20)**

The desire to escape from your comfort zone is strong this week. You’re eager to try new things and break out of your usual routine. Travel and exploration are on your mind, so consider planning a trip or adventure to expand your horizons and experience new perspectives.

**Gemini (May 21-Jun. 20)**

You have a spiritual message to share with others. Your influence can be powerful, and you may be called upon to speak up for the greater good. Remember to be mindful of your words and the impact they may have on others.

**Virgo (Aug. 23-Sep. 22)**

You might be challenged to reach deep to tap into your hidden strength and resilience. This is a time to face your fears and push through obstacles. Stay focused on your goals and trust in your inner power.

**Libra (Sep 23-Oct. 22)**

You’re striving for absolute transparency in all your communications. Be honest with those you interact with, and you will find that your authenticity is respected and appreciated.

**Scorpio (Oct. 23-Nov. 22)**

You are probably nearing something you’ve been working on for a while. This could be a project, a goal, or a personal challenge. Stay committed, and you will see progress.

**Sagittarius (Nov. 23-Dec. 21)**

You may be quite distracted by your vivid fantasies now even if they don’t seem relevant to your current situation. Imagine a conversation in your current social context. Although your imagination is working overtime on today, you probably don’t have to worry about your metaphysical beliefs to have a memorable experience. Thank you for doing research on a spiritual awakening without anyone else knowing about it.

**Capricorn (Dec. 22-Jan. 19)**

You may be surrounded by unwanted attention this week. It can be difficult to deal with, so try to set boundaries and maintain your composure. Remember to stay true to yourself and focus on your goals.

**Aquarius (Jan. 20-Feb. 18)**

You’re more than willing to go along with the flow as an unconventional companion to your social circle. This could be a good time to express your creativity and unconventional perspectives to others.

**Pisces (Feb. 19-Mar. 20)**

You are likely to be feeling weighed down by the weight of others. This could be a challenging time, but you can find support and strength in your relationships. Stay open to the possibility of new connections and opportunities.
