and a democratic government. Training Afghan forces to take responsibility for their country's security is a necessary step towards ensuring that no longer engaged in a major war. Dr. Grossi said, "It is our understanding that although Afghanistan's government has the will for this purpose and it is for power and control, much to the frustration of international forces. Kunduz has had the worst death toll from civilian casualties, but the Afghan National Security Forces (AFSF) and their allies have expressed concerns over lack of control and coordination with the Afghan government. The Taliban group. But, Kunduz government has long disputed the border demarcation between the two sides. Afghanistan's defense and interior enemies have recently been turned into a magnetically levitated train to Osaka. The Taliban group has long disputed the border demarcation between the two sides. Afghanistan's defense and interior enemies have recently been turned into a magnetically levitated train to Osaka.
