KABUL - The Afghan Ministry of Defense (MoD) said Wednesday that southern Helmand province was targeted by Taliban militants. The provincial police said that at least six policemen were killed in a Taliban attack on a check post in Nawa district of southern Helmand on Tuesday night, a security source confirmed on Wednesday. In addition, three other policemen were wounded. The police chief, Mumtaz Agha, confirmed the attack and said "we have casualties in the attack but so far we have total figures." The Taliban has claimed responsibility. (Tolnoon)

6 Police, 2 Civilians among 22 Killed in Urguzan, Nangarhar Unrest

Arias (Marr-Apr.20)
Aries It seems as if you’ve been putting your ducks in a row forever and now you’re ready to make your move. You believe that you’ve built up a great deal of strength and now you can either use it or lose your chance. Don’t make this a habit for you have the power to do anything you want. However, you can’t lose your chances of doing this all at once, or you might lose your chance of doing something as simple as a business deal or a social occasion. You are a fighter and you aren’t afraid to go after what you want.

Taurus (May 21-June 20)
Taurus You might believe that your logic is compelling to hold you in place, but it’s actually nudging you closer to your point of no return. Exercise those areas of your life that seem to be out of your control and notice how things improve once you get back on track.

Gemini (May 21-June 20)
Gemini Sometimes you need to make some small changes to your plans today, forcing you to take a different route than you had planned. This may not be the best way to get where you want to go, but it’s the only way to get to your destination. You may have to adjust your plans, but don’t worry, you’ll get there in the end.

Virgo (Aug. 22-Sep.22)
Virgo You may have experienced some small setbacks today, but you’re determined to make a comeback. You can’t let your past mistakes hold you back from achieving your goals. You have the power to make your own decisions and take control of your life.

Libra (Sep.23-Oct.22)
Libra If someone is working with you, you might want to give them some space and let them figure things out on their own. You can’t control everyone, and it’s important to respect their individuality. However, you can still offer support and guidance when needed.

Sagittarius (Nov.23-Dec.21)
Sagittarius You may have some questions or concerns today that you need to figure out. However, you don’t have to worry, you can handle everything on your own. You have the strength and determination to overcome any obstacle.

Capricorn (Dec.22-Jan 19)
Capricorn A new opportunity may be coming your way, but you might not see it at first. This opportunity could bring a lot of changes to your life, and you’ll need to be ready for it. You may have to make some difficult decisions, but you’ll be able to handle anything that comes your way.

Aquarius (Jan.20-Feb 18)
Aquarius Making decisions requires less effort on your part today. It’s as if you’ve been warm and fuzzy throughout the day, and it’s much easier to make decisions in this state. However, you may want to take a step back and consider all of your options before making any decisions.

Pisces (Feb.19-Mar.20)
Pisces You are in a very positive and productive mood today, and you’re feeling motivated to get things done. However, you may want to take some time to relax and recharge before you start working on anything, as you’ll need to be at your best to handle any challenges that come your way.
