Pakistan and India will receive 42 per cent of Turkmenistan’s gas for three decades. The 1,800-kilometre Turkmenistan-Afghanistan-Pakistan-Pakistan and India (TAPI) gas pipeline will supply up to 33 billion cubic metres (bcm) of natural gas a year. Officials say the pipeline will supply up to 33 bcm of natural gas a year to Pakistan and India for 30 years. The pipeline will feed three energy-starved Afghanistan, Pakistan and India. (Pajhwok)
