STOCKHOLM - Applications of over half of Afghan asylum seekers have been denied in Sweden, and the government has signed agreements with that country and the European Union to return the refugees.

"An asylum seeker receives a fourth negative answer, that person is not eligible to stay. So, it is not deportation, it is an obligation that he or she should leave the country, it is the decision of the court of the country, not the embassies," Hamid said.

"When an asylum seeker receives a fourth negative answer, that person is not eligible to stay. So, it is not deportation, it is an obligation that he or she should leave the country, it is the decision of the court of the country, not the embassies," Hamid said.

AFP Offers First Ever Beach Football Tournament

KABUL - The tournament was launched in Kabul, Afghanistan, and is an official extension of an AFL football.

"We plan to develop this sport in the country and the European Union to identify a national and team for Afghanistan." said head of Afghanistan beach football federations.
