**Outlook Horoscope**

**Aries (Mar. 21-Apr.19)**
It’s essential to trying to determine how much you can accomplish on your own. It’s a time to pause and reflect on your goals; however, you’ll realize that if it’s going to take a lot more work than expected, it’s probably better to delegate!

**Taurus (Apr. 20-May 20)**
You might have assumed that a minimal amount of effort would be enough to accomplish your goals, but your eyes are likely to manage the size of the task anyway. From a practical perspective, you’re currently facing a tough time to get back and start over. Instead, keep inching your way forward and do the best you can to move things along!

** Gemini (May 21-June 21)**
It doesn’t appear to matter how hard you try to control your emotions, you are dependent on events outside of your control. Ironically, this period is good for adjusting your strategy to be methodically done down before someone or something changes your course due to their frustrating you to try controlling the current obstacle hand, line. Keep your eyes on the horizon and take advantage of your progress now rather than focusing solely on your destination.

**Cancer (June 22-July 22)**
A recent shift of plans might have been somewhat disheartening these past few months. In the present situation, it was absolutely necessary. Sometimes, it’s best to let go of your resistance when your way is totally blocked.

**Leo (July 23-Aug. 22)**
Don’t worry if satisfaction seems beyond your reach to- day, so don’t waste your time and en- ergy for when you need it, but something is driving you from within and tempting you to burn all your fuel for when you need it. A situation that you’ve been waiting for your reach.

**Virgo (Aug. 23-Sept. 22)**
Your eyes are on the horizon and you can’t help but dream of the opportunities ahead. But prior to making any drastic changes in your life, create a list of what it is that you’d like to do. Be precise, and you’ll realize that it’s much easier to make a straightforward plan.

**Libra (Sept. 23-Oct. 22)**
You may be feeling somewhat about a subject you wish to discuss. Nevertheless, it’s not the right time, even if you might attempt to correct a conversation that could complicate a rela- tionship that you’re facing. Thankfully, you are facing the need to push your resistance because you know that tempera- ture will not be same for a long time, so don’t worry. However, there’s no reason to prevent their advances, so self-expression will only raise the frustration level even further.

**Scorpio (Oct. 23-Nov. 21)**
You might have trouble managing an unpleasant issue that’s currently relative to work. Even if your life appears to be running smoothly, the situation will turn out to be more difficult than you think.

**Sagittarius (Nov. 22-Dec. 21)**
To continue to face the consequences of past foolish actions, but will you continue to be affected by that? If you continue to face the consequences of past foolish actions, but will you continue to be affected by that?
