GEMINI (May 21-June 20)
You have too many goals for your day to roll out and you’re not in the least bit motived by anything. The ability to stand strong with determination is one of your strengths and today you’re finding it harder to use.

Cancer (June 21-July 20)
You may be feeling fatigued today and you’re not sure why. You may be experiencing a lack of energy and you’re feeling short of breath.

Leo (July 21-Aug. 21)
Today, you may be feeling more confident than you usually are.

Virgo (Aug. 22-Sep. 22)
You’re still operating under the illusion that more information is better than too little. However, several planets in picky Virgo rein in your use of information, and you’re not always receptive to it even when it is needed.

Scorpio (Oct. 23-Nov. 21)
You’re not interested in wars and conflicts, but you may be working behind the scenes to support anti-government forces.

Sagittarius (Nov. 22-Dec. 21)
An investment opportunity may come your way today, but you need to think carefully before you decide to accept it.

Capricorn (Dec. 22-Jan. 19)
Your energy may be a bit lethargic today but you’re willing to accept just about anything as long as you’re in control. You may be viewing your work with a very practical lens now and are ready to take any opportunity that comes your way.

Aquarius (Jan. 20-Feb. 18)
You may be feeling a bit lonely and isolated today, but you’re finding ways to adapt to your current situation.

Pisces (Feb. 19-Mar. 20)
Compassion is admirable, yet quite difficult to maintain in times of not much control or influence. A partner may lack credibility today when you’re not in the mood for more than a certain level of honesty. They may not be as transparent as they need to be.

Libra (Sep 23-Oct. 22)
You’re preparing to take a passionate position on something you believe in, and you’re not willing to compromise.

 Scorpio (Oct. 23-Nov. 21)
You’re more intuitive today and you’re able to see beyond the obvious.

Sagittarius (Nov. 22-Dec. 21)
An investment opportunity may come your way today, but you need to think carefully before you decide to accept it.

You have too many goals for your day to roll out and you’re not in the least bit motived by anything. The ability to stand strong with determination is one of your strengths and today you’re finding it harder to use.

Gemini (May 21-June 20)
Although you are known for your talent of understanding the present moment and theory, the Ides’ conjunction with potent Pluto in your 8th house today may bring you into an emotionally intense issue without reserve. Thank heavens, today is the day you can ask probing questions in a disarming manner. However, you may find that your timing is off and that you may need to slow down in order to grasp what you didn’t grasp so deep.
