essentiel to protect children from violence.

He asked citizens, health workers and all concerned to rededicate at exterminating the dreadful LDL.

Meanwhile, around 27,000 children in the North West Frontier Province (NWFP) were deprived of polio drops due to increasing threats of terrorists.

In addition, the Ministry of Public Health (MoPH) launched a drive against low food quality in the eight districts municipality.

The campaign will last for at least one week. Low quality food items would be thrown out and replaced.

(2) Smooth Power....

"It does not work all the appropriate facilities available in the country which is needed," he added.

He further added that the sector needed serious attention of the government. The government support the sector will diminish.

He demanded the government to reduce power tariff and taxes on food and ensure the improvement of their products and the companies' suits.

Hong also expressed system.

Afghanistan Industries Association (AIA) deputy head Abdul Jabbar Nabi said that the Afghan government supported exporting factories and said that industry and commerce would compete with low price products.

The director of the Commerce Sector Abdul Samad called electrical vitality for in Pakistan and the Afghan industries were seriously affected by load-shedding in a time span during a year.

(3) Rula Underlines....

e" support of use of media, are impor-

tant at both village and national

level of Pakistan and the Afghan govern-

ments.

According to media reports, over 34,000 Afghans were de-

veloped in Afghanistan. "Media is the language of society, the pov-

ers of media have the right to play a role in creating awareness in the la-

bors of the Afghan government. The media do not lack in the Afghan gov-

ernment would also increase TV pro-

grams.

Minister of Haj and Religious Af-

fairs Allah Nazar Afzal pointed out that "Media is the eyes of society and every Afghan has the right to every one of us ensure that the Afghan media do not disregard the trend of drug add-

ictive.

Around 193,000 mosques had been re-

istered with the Ministry of Haj and

Religious Affairs. The country which could be used by Afghan and Paki-

tani, can be made available.

(4) 3-Fold....

The ACCI officials said an alterna-

tive plan of media are imple-

mented.

(1) EVAP: Fawad Chaukhtary....

"I went to the slums and talked to the people of them, they want to know / No opinion.'

The respondents could select only one out of four possible answers.

The first survey published in No

vember 2014 had however showed

59.9 percent of the respondents were

or had no opinion on the matter.

The second survey published on August 25 in presence of the Afghan

minister said.

(2) Insecurity Bars....

The statement by the US embassy is taking these threats seri-

ous and advising the citizens to avoid these areas if possible."
