Residents in Fear as Rockets Again Fired into Kunar

AGADBAD - Pakistani forces fired up to 200 rockets into Shahr-i-khan district of eastern Kunar province, caused financial losses to people, local officials said Monday.

Kunar governor’s spokesman, Abdul Ghani Musa, told Pajhwok Afghan News up to 200 rockets were fired into Shahr-i-khan district from across the Darya-i-Nozir River Tuesday.

He said the strikes caused no casualties but they destroyed four houses, damaged farms and killed several livestock, however.

Meanwhile, Khalilullah, a resident of Shahr-i-khan district since last night.

“Women and children could not sleep due to these strikes, we spent the whole night in fear,” he said. He asked the government to take serious steps against Pakistani strikes.

Pakistani forces sporadically fire missiles into Kunar and other eastern provinces since years. Many people had been and others forced to flee their ar-

Agri Students Get Practical Lessons at Nangarhar Research Centre

JALALABAD - Besides analysis of saps and bunches of different characteristics, students are provided the opportunity of practical learning at the Research and Training Centre of the Agriculture and Irrigation department of east

Nangarhar province.

Director Agriculture Eng. Samiul-

lah Naeel told Pajhwok Afghan News on Wednesday that the re-

search and training facility was situated eight kilometres east of Jalalabad, the provincial capital.

He said more attention would be paid to the development of the centre by providing more facilities to farmers and orchard farmers at the centre.

He said the purpose of the re-

search facility is to overcome m-

any technical problems through multi-dimensional experiments.

In addition, 30 types of differ-

ent fruit saplings such as apple, grapes and others are also avail-

able. (Pajhwok)
