### 3 Trainee Afghan Police Officers Missing in US

KABUL - Three Afghan prison officials have gone missing in the US's Colorado state and a search for them was underway on Tuesday, an official said. A credible source told Pajhwok Afghan News the three officers of the Afghan Ministry of Interior's Detection Centers General Department had been sent to Colorado for a temporary period to undergo a training course. "US intelligence is searching for the missing officers, but the men have probably crossed into Canada for seeking asylum", the source said. Lt. Gen. Abdul Alim Kohistani, director of the Detection Centers General Department, said 15 officers of the department were sent to Colorado for training about two weeks ago. He confirmed that three low-ranked officers of the department had gone missing in Colorado. "But it is still unclear if it is a deliberate attempt to hide", he said. (Pajhwok)

### Taliban Execute Man, Woman on Adultery Charges

FAIZABAD - The Taliban have shot a man and woman to death on adultery charges in the Dar-yami district of northeastern Badakhshan province, officials said on Tuesday. Police spokesman Ahmad Zahid Omari told Pajhwok Afghan News the accused -- Gul Ahmad, and Nigar -- were married and had illicit relations. They were publicly executed by shooting on Monday. A member of provincial council, Dr. Ahmad Basheer Samim, said the man and woman were neighbours in Yamchian village. They usually went to each other's house. He added the Taliban arrested them when the man entered the woman's house. The decision on their execution was taken by a Taliban, he said, slamming the verdict as illegal. "We have repeatedly brought Taliban's presence in the district to the notice of security officials and urged the authorities to use local forces and public uprising members to crack down on the militants," the public representative said. However, the provincial officials did not pay attention to their calls, Dr. Samim regretted. As a result, he argued, the Taliban had stepped up their campaign to harass the people. He condemned the Taliban's act, saying Gul Ahmad was a 50-year-old man and had a wife and children. Nigar was 40 and had six children and their economic situation was not good, he concluded. The Taliban have not yet commented on the incident. (Pajhwok)

#### Cancer (June 21-July 20)

**Cancer** Replaying experiences with your siblings or childhood friends within the safety of your own mind can open the door to a cascade of memories. There is so much raw material feeding your soul today, you may have trouble sorting through all the special moments that vividly rush back to life.

#### Leo (July 21-Aug. 21)

Karmic Saturn is stabilizing vulnerable Venus as she luxuriates in your 12th House of Soul Consciousness, requiring you to reexamine your emotional needs. Rather than directly searching for love and beauty, you're more interested in understanding

#### Virgo (Aug. 22-Sep 22)

**Virgo** Although you don't want everyone to read you like an open book, it's easier to hide what you do today than how you feel. Since actions ultimately speak louder than words, all you need to do is make sure that your message is in alignment with your behavior now.

Life coach Duke Matlock said, "If you look to others for fulfillment, you will never be truly fulfilled."

#### Capricorn (Dec.21-Jan19)

**Capricorn** You realize you are blessed to feel nurtured by those who love you, yet there's still some intangible element missing. It's as if people support your professional ambitions because they see you moving along the path to success with drive and determination. However, there's another softer dimension to you that is busy managing your spiritual goals and your emotional needs.

#### Aquarius (Jan 20-Feb.18)

**Aquarius** You are content to fly beneath the radar today, because your happiness is based on individual aspirations rather than what others think. Sometimes you crave the adrenaline rush of working for a common cause or feel the need to assume leadership for a group project. But now you're more interested in making progress toward your personal long-term goals than in winning a popularity contest.

#### Pisces (Feb.19-Mar.20)

**Pisces** Your coworkers appear to be operating with the upmost of efficiency today, prompting you to worry about what you can contribute to the project.
