1) New Strategy... 

The Afghan authorities and the Taliban demonstrated their willingness to use the opportunity to improve the security situation in the country. This is a significant step towards achieving a peaceful settlement in Afghanistan that protects the Afghan national interest and American lives.

2) Afghan Security Forces... 

The NSC said that Afghanistan was the enemy of the entire world and would continue to support the Afghan security forces. The Taliban would never become a safe haven for terrorists and the Afghan government had a lot of experience in fighting terrorism.

3) Taliban's PD11... 

The Taliban have continued their efforts to fuel division among the Afghan government and UNHCR. According to him, the security forces had a clear understanding of the situation.

4) Afghan-U.S. Relations... 

The compact represents the Afghan Government's commitment to reform and economic development. Without going into details, Gen. Nicholson said that the Taliban would never become a safe haven for terrorists.
