Farah Airstrike Leaves 4 Insurgents Dead, 7 Injured

SHABBIR AHMAD - A Taliban commander Mullah Shahid was killed in a security force operation in Jawzjan province, in the north of Afghanistan, local officials said on Sunday.

Mullah Shahid was killed after he and his fighters attacked with suicide and rocket attacks in Shabab-Khanehs highway, a spokesman for provincial governor Mohammad Herati said. "Mullah Shahid was involved in insurgency activities and was killed in a security operation in Jawzjan province and he was trying to destabilize the situation in the area," the spokesman said.

The statement did not provide further details on the operation. Taliban so far has not commented on the claim. (ToloNews)
