Milanese (June 21-July 20)
Expressing your personal freedom comes at a cost today. Someone you care about or who you respect would prefer to pursue pleasure instead of facing up to a challenge. In keep in mind that whatever you choose to do, your friends and associates will respect your decision. As you are dealing with a matter that might be impossible to keep your emotions hidden from everyone else. Don’t bother withholding your true feelings.

Goat (July 21-Aug. 20)
You’re not likely to please everyone all of the time. Your way of seeing things is so logical that you get frustrated if you come across someone who is not as logical or as realistic. You might as well make your peace with the people who are different from you. You do not need to change in order to make others happy. This is also a day when you should channel your energy into positive physical activity.

Libra (Sept. 23-Oct. 22)
You’re anticipating something special today, and the energy you feel is exciting. The dynamic between you and someone else could be some of the most enjoyable you’ve had in a while. The connection you make with someone else to the point of creating and expressing an own emotional front. All of your energy could sound like the so much energy, emotional detachment routes moves of its own.

Scorpio (Oct. 23-Nov. 21)
You might feel a bit convicted of your inner turmoil today. You seem to have been caught between a rock and a hard place, and you are looking for a way out. You may feel that you are being forced into a situation you don’t want to be in.

Sagittarius (Nov. 22-Dec. 21)
You might consider making a major decision today. Your energy is high, and you may feel that you have the strength to take on a new challenge. However, you may be unable to fully express your feelings, and you may not be able to make a decision.

Capricorn (Dec. 22-Jan. 19)
You are likely to be experiencing a lot of stress and tension today. You may feel overwhelmed by the demands placed on you. However, you are also likely to feel a sense of responsibility and commitment to your work. You may need to take a step back and reassess your priorities.

Aquarius (Jan. 20-Feb. 18)
You are likely to be experiencing a lot of stress and tension today. You may feel overwhelmed by the demands placed on you. However, you are also likely to feel a sense of responsibility and commitment to your work. You may need to take a step back and reassess your priorities.
