ules of the Ministry of Finance, Da Afghani-
energy projects in five prov-
ices.

It is worth mentioning that
the Breshna Shirkat, thanked the
energy ministries would co-
ther field of drug addiction.

The ministry rounds up the drug
addicts who voluntarily want to
leave drugs and turn into a normal
life. According to the ministry, a drug
addict lost his life due to the cold
weather in Kabul this week.

"We rounded up at least 250 drug
addicts and have taken them to
rehabilitation centers," said Ahmad
Zahid Subhani, head of drug addicts’
round up campaign in the MoPH.

Kabul residents said that despite
the harsh cold weather, they
were addicted to drugs in Iran
and when they returned home, they
could not leave drugs and now are
living on Kabul streets.

"I have a disease and because
of that doctors have injected me. If they take me to the hospital, I have
no problem and will go with them," said Qambar Ali, a drug addict in
Kabul Deeply Grieved by Deaths in Indonesian Tsunami

WASHINGTON - The US defense officials submitted their report to the Congress on Thursday which says the reinforcement significantly in-
creased pressures on the Taliban.

Recent gains by US and Afg-
ghan forces under the Trump administration’s South Asia strategy could be in jeopardy if Washington presses ahead
with plan to slash the number of American troops in Afgha-

KABUL - Chief Adviser to the
President Ashraf Ghani Dr. Fazel Mahmood Atrizai, during the on-going situation neces-
sitated significant changes in Afghanistan’s security sector. He said the
mark the end of the 18th police district of Kabul city.

Desta further added that four people
including three women have been ar-
rested and 3.5 kilograms of drugs were confiscates by the security forces.

He said the individuals were attempt-
ing to smuggle the drugs outside the
country, including India.

This comes as scenes of people have
been arrested on charges of drugs
dragging from the international air-
ports of the country, including Kanda-
har province.

Ministry Rounds up Drug Addicts ‘to Protect Their Lives’

KABUL - The Ministry of Public
Health says drug addicts were taken to rehabilitation centers for
treatment.

The Ministry of Public Health (MoPH) on Sunday rounded up at least 250 drug addicts from Kabul to save them from the cold weather and start their treatment in rehabili-
tation centers.

The ministry rounds up the drug
addicts who voluntarily want to
leave drugs and turn into a normal
life. According to the ministry, a drug
addict lost his life due to the cold
weather in Kabul this week.
