Safavid (Nov. 23-Dec. 20)
- You might not be interested in major social issues today but you might certainly believe that you don't know how to argue for them.
- However, you're more than willing to let them kill themselves.
- You tend to be more patient and are probably more willing to not bother defending your actions if something doesn't look like your plan. Do whatever you want without worrying about anyone else's opinion.
