11) Afghan President

February 4, 2018

9

Afghan President

The president’s office said on Tuesday the militants had crossed a “red line” and the government was now fully prepared to deal with the battle.

Those who are responsible for this tragic situation are not going to get away with it. The price of war has come too close to home,” Ghani said.

But there is a clear difference, our com- ing to bring peace does not mean we are going to sit quietly and accept the telle-
