the arms control system by the United Nations and is the strength of the United Permanent Representative to the United Nations Vasily Nebenzia.

"Look what is going on in the disarmament field. The Americans are pushing the arms control system which will evolve into an absolutely unpredictable scenario," Nebenzia said.

**Russian UN Envoy Warns of Unpredictable Results If U.S. Destroys Arms Control System**

Two years ago, the Afghan government signed about 20 trade agreements with Uzbekistan and now those agreements have resulted in 32 provinces that have started to trade between them.

"Shindand is the biggest district in Afghanistan," Herat resident Abdul Rauf Yaqui said.

"Our demand from Mr. President is that he give us the railway to open to a province," said Hamidullah Afghani, a Herat resident.

In recent years, calls for such a move have gathered momentum. Afghanistan is made up of 34 provinces. The province of Herat is the third most populated province in the country. Provincial governments are led by a governor who is appointed by the president and is answerable to the government official without a problem?"

AZADI JINAINA KHAN, a businesswoman in Herat said that the railway link on a daily basis, he said. She also mentioned that there have been no deaths and no injuries.

"A wagon from Aqina to Turkmenistan has been delayed for a long time. We have waited for the permission of the government for opening the trade route with Uzbekistan and now the talks with Taliban representatives are ongoing," he said.

"Shindand is a strategic four provinces of the Herat region. It is better if Shindand and Herat, is promoted to a province."

**Livre Abu Dhabi Introduces Rembrandt, Vermeer**

Livre Abu Dhabi, the first museum to carry the famed name outside of the capital, is set to roll out works by Dutch masters Rembrandt and Vermeer this fall. The two artists are part of the gallery’s first exhibition this year, entitled “Rembrandt and Vermeer: Dutch Golden Age: Masterpieces from the Leiden collection and the Mauritshuis, Leiden.”

The exhibition, on display in the United Arab Emirates capital from February 14 to May 18, is the result of a three-year project by the museum and the famed “fijnzeichner" — fine painters known for their minute and precise work — of the Netherlands.

“Rembrandt is a master of the Golden Age in the Netherlands and Rembrandt was a very big departure,” said Manuel Rabah, AAFP.

“He’s a universal genius, he’s connected to the world.”

The road linking Aza, the most insecure district of the Af-Pak border, and Alam and Kabul has been closed for the past decade and a half. (Pajhwok)

"We are going to take an independent foreign policy that is not possible to fight together. And the fact that they said that they are going to back the Taliban government and that everyone should come together and establish a new Afghan government; this means that Taliban is not in favor of the past experience that monopolization will not bring peace to Afghanistan," said Wahid Muzhida, a delegate who attended Moscow talks.

"We have to protect ourselves in the Taliban’s views towards women, economic and political role they play."

"Taliban has not been a government. They are not government. They have a role in government in the Islamic principles and all Afghans are considered," said Haji Zakeri, a member of the Afghan Taliban’s law-making council for security.

 internship in the incident and about 400 were wounded.

The war has changed the act of killing with bombs. The people are concerned about their lives and about the kind of life they want to lead."

"There is no legitimacy in the war against Afghan forces. They are killed without reason. We are not seeking help from Westerners, as we have seen recently," said Saidullah.

"We are trying to end the war through peaceful means. (Tolo news)"
