KABUL - Pakistan Prime Minister Nawaz Sharif has said his country wanted good relations with Afghanistan and was a well-wisher for the peace in the region.

He urged the government in Kabul that realising Pakistan’s desire for peace and stability in Afghanistan and something consistent with the principles of the region. Sharif’s statement came in the wake of the recent cross-border shelling by Pakistan which had claimed at least 14 Afghan shrounds of deaths. Pakistan has so far not commented on the incident. Pakistan Leader Involved in Killing of New Zealand Soldiers Killed in Banyan

KABUL - A number of Pakistani painters on Saturday painted peace images on the reconstructed German cemetery that was destroyed in a suicide attack four months earlier.

The painters said they are tired of war and want to live a peaceful life. They urged world parties to put an end to their struggles and to return to building a peaceful home. "We want peace and empa..." said Fazel Ahmad, a Pakistani painter and organizer of the mohammad sulthan.

Pakistan leader who was involved in a number of deadly attacks including the killing of New Zealand soldiers has been killed during clashes with the Afghan security forces in Banyan.

According to the local government officials in Banyan, Haji Abdullah Corneliano was killed during a clash with the Afghan security forces in Shurfar district. According to the last survey report, there has been about 24 Pakistanis due to opium cultivation in Afghanistan.

The survey jointly conducted by the UNODC, the Ministry of Justice, and National Unity of Justice officials said 250,000 acres of land were cultivated with opium in 2016.

The report further estimated that Afghanistan should reduce the rate of land that is currently cultivated to 2,500,000 hectares. Afghanistan is the biggest producer of opium.
