Anti-Polio Drive Covering 5.6m Children from Today

KARUL - The second round of a sub-national immunisation campaign against polio covering 5.6 million children under the age of five years is set to begin tomorrow, the Ministry of Public Health (MoPH) announced on Sunday.

With the help of UNICEF and WHO, the ministry will launch the campaign in all provinces in the northern and southeastern regions, most districts in the eastern zone as well as some other areas, including Kabul.

A statement from MoPH said “Poliio causes permanent disability or even death. It is disfiguring and has caused greater disability or even death.”

The ministry said that all children under the age of 5 years should drink three drops of polio vaccine during every campaign.

Dr Ferozuddin Feroz added only by the side of the WHO will comply with the WHO.
