Outlook Horoscope

Taurus (Apr.21-May 20)

This is an excellent day to express your natural creative power. Taurus always has a need for some sort of outlet for its many talents. Today is a great day for you to find a way to express yourself that will also be fun and relaxing.

Libra (Sep.23-Oct.22)

Your life will be supported. Physical strength and energy will encourage you to do more of what you enjoy. This can work in your favor if you have a tendency to feel things deeply. But it may also create a need for more outlets for your energy.

Sagittarius (Nov.22-Dec.21)

You may be finding it hard to get a lot accomplished. Run around doing this or that. This is certainly the day to do more of what you enjoy. But be sure to take care of your feelings as well as your body. If there are things that need to be worked out, take care of them today. The two really do go together.

Capricorn (Dec.21-Jan19)

You will probably have a lot of energy at your disposal for getting things done. Taurus is a very hard-working sign, and you will probably find it easy to keep yourself busy.
