**Taliban Suffer Heavy Casualties in Uruzgan Air and Ground Raids**

**KARUL** - The Taliban suffered heavy casualties in the ground and airstrike operations in southeastern Afghanistan, officials said on Sunday. According to the local security officials, the Taliban suffered losses in the Truth and Justice Force's (TJF) operations in the southeastern part of the country. The TJF's operations were launched after donations were received for the cause. The TJF has already launched a number of operations against the Taliban in the province.

**SHIBERGHAN** - Two Taliban mi-
tants have been killed and five oth-
ers wounded during the operations by the TJF in the province.

**Overview Horoscope**

**Aries (Mar. 21-Apr.20)** You are about to embark on a great spir-
itu{text cut off}

**Libra (Sep 23-Oct.22)** Surprisingly, having a fun day today may be quite challenging if you are used to do more than usual. Although you have a lot of energy and enthusiasm, you might find it difficult to focus on your work or responsibilities.

**Scorpio (Oct.23-Nov.21)** Your creativity and imagination are at their peak today. You can use this energy to write a poem, paint a picture, or create something new. However, make sure you don't get carried away and neglect your responsibilities.

**Sagittarius (Nov.22-Dec.21)** Although you like your peers, you might find it difficult to organize your thoughts when you're around your friends. However, don't let this stop you from enjoying yourself.

**Capricorn (Dec.22-Jan.19)** If you're feeling overwhelmed by your responsibilities, take a break and do something you enjoy. Whether it's reading, listening to music, or spending time with nature, this can help you recharge and refocus.

**Aquarius (Jan.20-Feb.19)** If you're feeling stuck or uncertain about your future, take a few moments to reflect on your goals and values. This can help you identify the direction you want to take and the steps you need to take to get there.

** Pisces (Feb.19-Mar.20)** Taking charge of your life by being more proactive can be challenging, but it can also be rewarding. When you feel like you're out of control, take a step back and assess your situation. This can help you identify what needs to change and how you can take control.
