Report Claims MoPH Guilty of Corruption

KABUL - A task team appointed by the National Unity Government (NUG) to probe allegations of corruption in the Ministry of Public Health (MoPH) has reportedly stated the ministry is guilty of maladministration and corruption.

Documents seen by TOLOnews cites that the MoPH is guilty of maladministration and corruption.

The ministers concerned were tasked with to ignore it. Kabul administration shouldn’t be busy discussing a four-year security plan for winter operations. The ministers concerned were tasked with to ignore it.
