CANCER (June 21-July 20)
You are currently deciding on the family dynamics today, trapping you to escape into your dreams. However, this is not a fantasy realm, and you can use your imagination to create the exact situation you desire. It is the time to become realistic and think of the best plan you can to achieve your goal.

LATE JUNE-LATE JULY
You're extremely creative while the impossible Arrows of Virgo are involved in your life. You can handle things better, and you can make any decision you want. Your day is filled with excitement, and you are full of energy, but don't be too optimistic.

LEO (July 23-Aug. 22)
Your couriers may be operating with hidden agendas today; it's time to sweep things in the air and out of your own emotional boundary. However, the courageous Aries Moon's presence in your 9th House of Adventure compels you to make changes to create the excitement you desire.

SAGITTARIUS (Nov. 22-Dec. 21)
You might mistakenly believe that everything is just going well, but it's time to change your way of thinking. You just gave you some breathing room and don't think about it. The tension is slowly increasing, but don't even think about it. Be critical of your style and principles. Just remember, relationships require give and take.

CAPRICORN (Dec. 22-Jan. 19)
You may be feeling that your enthusiasm is waning, and you may find it hard to keep going. This is the time for you to regroup and think about what you want to do.

AQUARIUS (Jan. 20-Feb. 18)
You may be feeling that your enthusiasm is waning, and you may find it hard to keep going. This is the time for you to regroup and think about what you want to do.

PISCES (Feb. 19-March 20)
Taking a mentoring approach is the best way to help you, and it's a good idea to have someone you trust around.

OUTLOOK HOSPEROSO

Aries (Mar. 21-Apr. 20)
You are known for your willingness to take risks, but today you may be feeling that you are taking too many risks. However, the Aries Moon promises you to try to see your own actions, but don't be too reckless.

Taurus (Apr. 21-May 20)
You may feel that you are not getting what you want, but today is a good day to take advantage of your opportunities. You are ready to take risks and make your own decisions.

Gemini (May 21-June 20)
You may be more interested in your own career, but today is a good day to focus on your daily tasks. You are ready to work hard and make your own decisions.

Cancer (June 21-July 20)
People may be genuinely surprised by your actions today, and you are likely to be surprised by others as well. However, the Aries Moon promises you to try to see your own actions, but don't be too reckless.

Leo (July 23-Aug. 22)
You are in a creative mood, and you are likely to be inspired by the hidden agendas of others. However, the Aries Moon promises you to try to see your own actions, but don't be too reckless.

Virgo (Aug. 23-Sept. 22)
Your couriers may be operating with hidden agendas today; it's time to sweep things in the air and out of your own emotional boundary. However, the courageous Aries Moon's presence in your 9th House of Adventure compels you to make changes to create the excitement you desire.
