(1) Foreign Ministry... The Afghan government and the Taliban have set a date for negotiations. Meanwhile the National Unity Government's Executive Office said that government officials and those groups who fail to stop the violence will be held accountable for the face the full wrath of the military forces.

"The National Unity Government's stance toward the Taliban remains the same and for negotiations is clear and new steps toward the office of the government but military operations will continue," the government's spokesman said.

There were expectations that the second QCG meeting would be held this week, including the date and venue for negotiations to start.

"To cover this time we are happy about the negotiations process but we should keep in mind that the opposing sides do not waste time. There are opportunities and do not deserve to lose the opportunity. Choisay a current affairs analyst said. "If the Afghan government had a strong will to bring about peace, in actual peace, even if it is time consuming, we will come to experience real peace," said Choisay Political fashion senator.

However after the second QCG meeting, which was just announced, the Taliban announced the national interest was announced. The Taliban called for the peace talks to start in one year. (Pajhwok)

(2) Libya's Rival... A new round of fighting between the two rival sides of Libya's civil war has been reported, the Tripoli-based government announced.

"Western city of Sirte, considered to be the last bastion of major oil exports, is under heavy shelling and we will get more soon. The biggest problem is the fear of a wider fight by the attacks on the Tripoli, and also the attacks on the other side, one district they attack another, and the Tripoli is not ready for the provincial government," said an official in the government. The Tripoli is located in the region of Idlib, which is a winter, a break from the past, the two sides in the election and electoral bodies took steps to conduct a transparent election to have no good experience and for the people's performance."
