KABUL - The Afghan High Peace Council (AHPC) Chief Judge, Mohammad Qazi Asal Din was shot dead in the Khwaja Pasti local hospital in Kunduz on Saturday morning.

At a gathering in Maimana, the provincial capital, Faryab Province on Saturday, support the Afghan security forces, asking missions to join the peace process.

KUNDUZ CITY - Hundreds of doctors on Saturday boycotted duties and threatened to stage protest if their security was not ensured following the kidnaping of a doctor’s son in northern Kunduz province.

The doctors and health workers had protested at the Kunduz Zonal Hospital and demanded the pro- vince government provide security to the doctor's son, a resident of Kunduz city.

“Unless security is provided to the government will last their deep of blood and stand with the security forces in defence of the country, Maulvi Ashrafudin Jalali, head of the peace committee, said. He said it was government’s responsibility to employ educated youth in their respective fields so they were able to serve their country.

Initially, he said, Karzai suggested that the US, along with Russia, China and India, should go together and work out a new policy. He believed that Trump’s appointment of General John Nicholson as the commander of the US forces in Afghanistan was a step in the right direction.

The two sides, he added, should follow the Afghan Constitution and the US should not abuse its power.

Karzai said he had met with US President Barack Obama and had raised the issue of security for the Afghan people.

The doctor’s son, who was shot dead, said the Afghan authorities had not been able to provide security to him and his family.
