bombed district where hundreds of families

have expressed concern over a deteriorating security situa-

tion in the province that they feared could fall to the rebels if the number of security per-

sonnel is not increased. They told Pajhwok Afghan News that militants had blocked roads in districts con-

necting them with Pakistan’s Nararat capital. They said militants openly operated on roads and that high security

troubles exist in Dush, Bar-

gan, Mandol, Kandahar, and Wama district. The provincial council head, Abdul Rashid Ghanbari, said Taliban Afghan News that the rebels had shut roads in the province and that security forces had been unable to reopen them.

"The number of police is limited while Nuristan is a mountainous province and has a large area. We don’t have..." (More on P4)
