KABUL - Accused of killing his companion, a 30-year-old Afghan man has gone on trial in southern Germany, a media report said on Wednesday. The asylum seeker allowed to die in a refugee camp near Munich in December. (Pajhwok)

225,000 Candidates Applied for 18,000 Govt Posts: IARCSC

IARCSC chairman Nader Nazri said the council had received applications for 225,000 posts. “The list has been published and it is available on the commission’s website; copies of the list will be published by the commission’s provincial headquarters so that we can distribute these lists even to the districts,” said Nazri. He said that the commission will start the hiring process from the first week of the next solar month of Daha (January) and will wrap up the process by the end of the month. “Elites and academics figure have been asked to make the questions at the level of fifth or sixth grades,” said Naghizad Yarsh, a member of the commission. Nadery meanwhile said that 462 posts have been vacant for over two years in at least 56 institutions.

“Ministries need to send us their plans by next week and start their hiring programs,” said Nadery. IARCSC has announced to appoint candidates in the government procurement office. (Tolonews)
