President Xi’s Calls for a Shared Future

BEIJING - Themed “Creating a Shared Future in a Fractured World”, the 48th World Eco-

nic Forum (WEF) annual meeting in Davos, Switzerland, is urging concentrated ef-

efforts to address major challenges such as protectionism, terrorism and climate change.

The four-day gathering of pol-
cymakers is expected to attract around the world will see more than 400 workshops to seek con-
cerns and collaboration on “a shared future”, a vision con-
mended by China’s President Xi Jinping.

The 2018 WEF theme revives the memory of a Chinese state’s first participation in the World

Department on Tuesday added a key

Khalid Batarfi, a senior leader of the al-

Qaeda-linked al-Nusra Movement, to the list of US government’s specially designated

terrorists. (Agencies)

ASEAN Leaders Gather in New Delhi for Commemorative Summit with India

NEW DELHI - India’s Prime Min-

ister Narendra Modi and his South

Asian counterparts are expected to be

key participants of the summit in New

Delhi this week as both sides work to

move forward the concept of a “community of security”.

India and other states have

been involved in a series of dialogues with Afghanistan, Pakistan, China and

other countries to try to find a solution to the security

issue in the region.

The summit, the third of its

kind, will be attended by leaders from

the Southeast Asian Nations (ASEAN) mem-

ber states with India, New Zealand, and

Australia. (Agencies)
