Quoting Khan Jan Alokozay, first deputy chairman of Afghanistan's Chamber of Commerce and Industry, a television channel reported, "Indian pharmaceutical companies would like to invest jointly in Afghanistan."

Media reports also suggested that the government of Afghanistan

Afghan Carpets Export to World Markets under Pakistan's Name

KABUL - The Afghan government failed to provide better opportunities and fields for the export of Afghan carpets to the world markets. Afghan Carpet Union (ACU) said, "We are not have carpet traders. Our supply is high but demands are low," said Abdulrah, head of Herat Carpet Company. Carpet industry was once one of Afghanistan's flourished industries that had made a name in the world, such as Pakistan. Experts need support for growth and production, we failed to support our exports. The export of carpets carries out through air grounds," said Muhammad Zareed Yaafi, deputy of ACU.
