KABUL - An Afghan official said that at least four security force members have been killed and two others wounded during a clash in Kandahar district of southern Kandahar province where 34-kg morphine has also been captured, an official said Monday.

Kandahar police spokesman, Zia Durrani, told Pajhwok Afghan News rebels stoned two vehicles and set fire to them in the Shahi village of the district, according to a source.

He said police responded to the attack and killed three rebels and wounded two others.

A resident of the village, who described the attack, said the security forces had captured 34 kilograms of morphine from the rebels.

The security forces have so far seized 20 tonnes of chemicals used in heroin manufacture.

Everyone seems to be getting along today, and it’s an appealing proposition. You want to enlist your friends as part of your creative team. You’re so excited about your ideas that you must keep them to yourself. However, you won’t likely get what you think of as recognition or respect. Your plans and concepts need more testing first.

Aries (Mar. 21-Apr.19)

Pros: A fresh breeze of optimism will help your self-confidence to rise. You feel reassured about your abilities, but you might feel overwhelmed now. However, you won’t likely get what you think of as recognition or respect. Your plans and concepts need more testing first.

Sagittarius (Nov.22-Dec.21)

Pros: You possess important information that you wish to share, but the positive effects of what you might say might be lost on you. You might feel overwhelmed now. However, you won’t likely get what you think of as recognition or respect. Your plans and concepts need more testing first.

Aquarius (Jan.20-Feb.18)

Pros: A sudden event of plans could turn your world upside down today. You might have too much to do, but not enough time. Even if you take a risk only because they believe in you. But it’s not necessarily just because you’re planning or speaking.

Capricorn (Dec.21-Jan.19)
