KABUL - Nadir Shah Sahibzada, a local radio anchor in the eastern province of Paktia, was killed in an attack on the radio station he worked for on Saturday, officials said.

Afghan News that commando officers claimed capturing the Afghan southern Paktia province but Taliban officials refuse to accept the claim as baseless.

Hamidullah Hamid, the district’s administrative chief, told Pajhwok Afghan News that commandos carried out the operation late on Friday.

The local chief of Taliban’s red unit was killed and 18 others wounded in the military operation. The “militants had besieged the district over the past 20 days,” Ahmad Shahid, Taal, spokesman for the 4th Division of 205 Thunder Military Corps, told Pajhwok. Dozens of rebels were killed and several others wounded in the ANA operation in Azra district.

Local Radio Anchor Killed in Paktia

AHMADSHA [Image 69x1497 to 979x1540] and officials from the radio station said.

On Saturday, spokesman Sardar Wali Tabassum said police have started an investigation into the killing of the radio anchor.

Shabzad, an official from the radio station, said that “Ahmed on Pajhwok.

Jul 14, 2019 - Responsibilities to work, family and home and family responsibilities are important in forming your work-life balance. Including a get-together you really want to attend. Don’t worry. All signs are that this trip is important to you and should go ahead as scheduled.

Jul 14, 2019 - You may wake up feeling strong and vigorous, but as the day wears on stress could cause you to feel tired and worn down. Take care of your responsibilities as quickly as you can and then move ahead with your plans. Try to take care of your duties as efficiently as you can so you can enjoy the evening.

Jul 14, 2019 - Today you might be waiting for a letter or call from a close friend or love interest. Aquarius, the walls may seem to close round you. Squabbles over nothing may hinder your work or get in the way of your other housemate’s numbers, and a lack of energy could plague you. This is not the time to get in the zone. Take a walk, ride a bike, or take a cardio class. This should work off your irritation while creating more physical energy.
