War-Dispelled-

The Afghan government has facilitated evacuations for the Chinese businessmen investing in Afghanistan and Afghan nationals’ families. A spokesman for the China-Afghanistan business association said the Chinese government and enterprises had helped Afghan nationals’ families get out of danger. Some 6,300 passengers have been evacuated in recent days, according to the spokesman. The Chinese government also supported Afghan nationals in providing transportation, accommodation, and medical services. Omar confirmed. Some 6,300 passengers had been evacuated in recent days, according to the spokesman. The Chinese government also supported Afghan nationals in providing transportation, accommodation, and medical services.

 niệm that a Taliban commander had issued a threat. "We are trying to find details," said Mujahid Zahir, a Taliban spokesman.
