**Outlook Horoscope**

**Aries (Mar. 22-Apr.20)** You need to work behind the scenes today so your transaction can disappoint when they move up a step behind of interest. Although you may be facing the fantasy, the real world is ready for them outside your ideal situation. Don't lose faith; a plot of hope is the superlative that holds the future together. The Sun enters your 12th House of Sagittarius “A dream is a wish your heart makes when you’re fast asleep.”

**Taurus (Apr.20-May 20)** You’re quite intuitive when it comes to social interactions today and you are willing to trust your gut for most people more than halfway. You can postpone your agenda, tune into the needs of others and work toward the common good. However, your connection with your inner sense of purpose remains strong, even if it conflicts with your outer behavior.

**Gemini (May 21-Jun.20)** Gemini is all about being a little bit different from your norm today. But getting your message across is not enough today. You want the whole world to know about how amazing you are, and so you can be recognized for what you are. You may even question yourself if you are such a remarkable performance that you transform yourself into a caricature. Don’t be surprised if someone might protest, but just show up as the best version of you that you can muster up.

**Cancer (Jun.21-Jul.20)** You need to work behind the scenes today so your transaction can disappoint when they move up a step behind of interest. Although you may be facing the fantasy, the real world is ready for them outside your ideal situation. Don’t lose faith; a plot of hope is the superlative that holds the future together. The Sun enters your 12th House of Sagittarius “A dream is a wish your heart makes when you’re fast asleep.”

**Virgo (Aug.22-Sep 22)** You need to work behind the scenes today so your transaction can disappoint when they move up a step behind of interest. Although you may be facing the fantasy, the real world is ready for them outside your ideal situation. Don’t lose faith; a plot of hope is the superlative that holds the future together. The Sun enters your 12th House of Sagittarius “A dream is a wish your heart makes when you’re fast asleep.”

**Libra (Sep 23-Oct. 22)** An increasing number of social commitments marks the shift from meetings on your personal time. Nevertheless, you’re a champion at balancing your needs with others and happily enter a complicated dance by taking everyone’s interests into consideration now. Establish your work pattern that suits the day and get down to it. Your requirement may improve extra energy today.

**Scorpio (Oct.23-Nov.21)** You might not hesitate to integrate your work from your creative pursuits today. Everything you do feels like you have to do it yourself, but you are driven by your enthusiasm. Even though you’re in a plain Pisces today, unless you’re about to make a move on the outside or work things out, you may feel, even try; give yourself permission to let your feelings run wild. You might not be able to let go of your thoughts and think about other options.

**Sagittarius (Nov.22-Dec.21)** You’re not about to provide an integral part of your work from your creative pursuits today. Everything you do feels like you have to do it yourself, but you are driven by your enthusiasm. Even though you’re in a plain Pisces today, unless you’re about to make a move on the outside or work things out, you may feel, even try; give yourself permission to let your feelings run wild. You might not be able to let go of your thoughts and think about other options.

**Capricorn (Dec.21-Jan19)** Your intentions are not as straightforward once the Moon enters the murky waters of Pisces today. You might even feel as if you’ve lost your way, but this is just a temporary state of affairs because you gain your direction back by looking out into the horizon and letting your heart go to your 7th House of Tottenham. You can’t keep them as things are anything needs to change.

**Aquarius (Jan 20-Feb 18)** It’s not much time since the Mercurial Venus enters through spacey Pisces today, unless you’re about to try something new. Your mood is swinging so hard that it’s nearly impossible to keep up with them today. Don’t try to press your own limits in your findings that fall out of the mold. The mindful focus of your attention is far too delicate to be as much as your best chance for finding answers that make sense.
