July 31, 2018

Afghan officials in the past, the Taliban have been negotiating with U.S. officials in the past, and the most recent meeting took place earlier this month. The talks are still portrayed as more ambitious, former U.S. officials said. Although the U.S. has maintained contact with the Taliban as well as contacts with Taliban fighters abroad, the discussions have become more urgent among senior officials over growing corruption and security situation of the country. (Pajhwok)
