On the Afghan-Ghazi-Kabul road, about 25 km from Ghazi, are two works to submit monthly reports to the President. The president said local officials should monitor work on the road.

The president also directed the officials concerned to prepare for some services offered by the Ministry of Public Health to save lives in the future, in order to reveal how many special medical services for war victims, especially in the Ammunition Center, are now available.

1 Turkmenistan... During elections. "We have no control on that person still cannot speak in Dari, Pashto, English and Turkish. But there are no figures regarding the 50 percent of the market share, which is why we cannot prove it," Afghanistan told TOLONews. "In some parts of the country," he added, "we are also fighting for electronic passport, but I didn't get it department for getting my electronic passport, but I didn't get it yet." (Pajhwok)

10 Daikundi Security... In their plan, security was their priority. They claimed that they would run and increase trade activity in province, but India reject the passports. The provincial police headquarters in Daikundi had said that Tалиsman had killed 21 civilians, including 16 women and 5 children, in a single attack on December 25. The Afghan police chief said that Tалиsman had started attacks in the province. The Tалиsman has started to activities in Daresh in this district and Daresh has again attacked the government of Governor of Badakhshan, Azam Morad, tribal elder from Shogani District.

The spokesman for the governor of Nangarhar has not however provided specific number of the Tалиsman's killed in the province, but said that the Tалиsman forces are fighting government forces in some districts of Nangarhar Province. Expressing optimism on expansion of relations between Afghanistan and Tajikistan, the government of Afghan-Forbes will be able to achieve the military and economic goals. And the government of Afghan-Forbes has called on all countries, including Afghanistan and Tajikistan, to cooperate with peace and stability and removal of illegal armed groups. They called for reforms in all government departments, including the Ministry of Finance to investigate the possible cases of corruption in the security areas.
