KABUL - The Independent Election Commission (IEC) on Friday announced the final list of polling centers for the upcoming presidential elections.

The IEC chairperson Hafza Alam Nuristani said in total, 5,383 polling centers have been identified of which 5,202 centers are closed due to insecurity. Nuristani said 480 polling centers have been identified in Charchi province.

The Free and Fair Election Foundation of Afghanistan (FEFA), meanwhile, said IEC has announced the polling centers which were identified in the previous elections and that there is no difference between this list and previous lists.

They have gone forward based on the previous lists. They have re-announced ...(More on P4)...(6)
