**Outlook Horoscope**

**Capricorn (Dec.21-Jan19)**
Accepting your partners as they are can be an arduous task for you. However, try to be understanding, and if you can show some love and sympathy, they will value you much more. It is also good to bear in mind that you should not make enemies.

**Aquarius (Jan 20-Feb 18)**
You want to work alone and you will work extra hard to demonstrate your independence, but when you do so, you will make mistakes. You will then blame others, and you will not be able to see the bigger picture. You will make yourself more successful if you work together with others.

**Pisces (Feb.19-Mar.20)**
Your friends and family members will be in a state of confusion and you need to be very careful. You should avoid any kind of financial transactions and investments.

**Taurus (Apr.20-May 20)**
You’re no longer discovering your own place in this world and you may be feeling a bit lost. You need to find your own identity and you need to be true to yourself.

**Gemin (May 21-June 21)**
Minor conflicts with people who are close to you won’t be a problem. If you just keep your distance, your two sides will not irritate each other.

**Cancer (June 21-July 20)**
You are in a phase where you may be feeling a little uptight. You may not be able to express yourself properly.

**Leo (July 23-Aug. 22)**
You have a lot of energy, but you need to use it in a constructive way. You may be feeling a bit restless.
