MPs Praise Security Forces for Quick Action During Attack

KARUL - A number of MPs on Wednesday praised security forces – especially Sergeant Essa Khan – for their quick and effective response to the Taliban attack on the Wolesi Jirga (Lower House of Parliament) on Tuesday morning.

The attack was one of the worst in Afghanistan's history and left at least six people dead and dozens injured. Essa Khan personally killed six insurgents. Deputy speaker to the parliament Kabir Niazmadin was also killed.

The tribal elders have also confirmed the collapse of villages in Baghlan province.
