Chinese Blasts ‘Political Persecution of Huawei’ as Canada Goes Ahead with Extradition to US

BEIJING - Ottawa has formally started the extradition process against Huawei Technologies Co Executive Wanzhou Meng, who was said to have been arrested in Canada after being charged with circumventing US sanctions on Iran. China saw it over the move.

In a statement on Friday, Cana-
dia’s Department of Justice an-
ounced that it had issued an “ar-
thority to proceed” thus “for-
not even try to understand that there is a difference between an act of aggression and an act of self-defense”.

BERLIN - Chancellor Angela Merkel is making clear she supports student climate protesters, who have staged global strikes against the government's failure to act on climate change.

Russian Nobel Winner Alferov Dies

MOSCOW – Zhores Alferov, a Russian physicist and Nobel Prize laureate, has died of cancer.

His death was announced Saturday by the Russian Academy of Sciences, which said he had died of a cardiac arrest.

Alferov shared the Nobel Physics Prize in 2000 for development in semiconductor research that has been used in semiconductor research and telecommunications and cellular telephones.

At the time of the prize he was director of the A.F. Ioffe Physico-Technical Institute.

In 2006, he became chairman of the Russian Academy of Sciences.
