INCOME NEEDS TIME TO MEET INF’L Conditions’

KARUL - The Afghans government has written a formal memo to the United Nations, Nations Security Council calling for a cease-fire in the country located along the Durand Line.

The Afghan govern-ment has written a formal memo to the United Nations, Nations Security Council calling for a cease-fire in the country located along the Durand Line.

KABUL - In an interview with Tolo News, Waqia Badali, head of the Afghann Intellectuals Council (ICC), said the international community and the Afghan government should provide budget for the electoral commission if it makes for budget that a transparent election is held in the country. She said security threats, pre-paring elections budget, maki-ng a schedule for the elections and funding electoral issues are serious challenges faced by the electoral commissions at the moment.

The international commu-nity’s conditions are to assure that transparent fair and free elections are held, therefore, we need time (to meet the con-ditions),” she said.

Badali said they continue their discussions with govern-ment and non-government institutions to change the elec-toral process into an electoral system and procedure and ignore the tran-parent systems. “Holding a transparent election will be possible if we work with a company which provides elec-toral software. This transparen-cy of (ICC) won’t be compromised,” she added.
