Graft a Serious Threat to Afghanistan’s Development: Melbin

KABUL - The European Union (EU) ambassador to Afghanistan has expressed concerns over widespread corruption in Afghanistan, offering unity government assistance in the war on corruption.

Former EU Ambassador to Afghanistan Michael Melbin made the comments during an exclusive interview with Pajhwok Afghan News at the launch of the EU’s seven-week campaign against corruption in Afghanistan. Melbin was in Kabul for the campaign.

He said the EU was ready to offer its assistance to the unity government in the war against corruption.

“IFAD has announced participations of international consortium in the sector for extraction of Afghanistan’s virgin natural resources in the form of the international consortium with the participation of various mining cooperation in minor (QCC) and the breakthrough was announced in a statement from the group, which is dedicated to show to the nation its belief in peace, but the UN...” (More on P4)...(1)

HIA Announces Participation in Peace Process

KABUL - The Hizb-i-Islami Afghanistan (HIA), led by Gulbuddin Hikmatyar, on Sunday announced participation in a peace process brokered by the Quadripartite Coordination Group.

HIA Spokesman-based in Kabul, told Pajhwok Afghan News on the sidelines of the conference that they conduct surveys and research aimed at investigating cultivation, trade and smuggling of narcotics in Afghanistan. He said bulk of the $68 billion income ($65 billion) from drugs went to the coffers of the Afghan government, because they know the government has not provided the services they expected.

The diplomat explained: “There are various reasons for the Afghan government’s failure to battle corruption.” (More on P4)...(2)

Afghan Wireless Launches 3.75G+ High Speed Broadband Services in Nimroz Province

AFGHAN WIRELESS

Afghan Wireless 3.75G+ service is the high speed service in the country that has vaporized Kandahar, Helmand, Jalalabad, Farah, Kunduz, Badakshan and now Nimroz province after the debut of the service in the capital, and has provided speedier services to our compatriots.
