KABUL - The Ministry of Pub-

lic Health (MoPH) is in the final stages of up-

grading the drug supply chain and computerising the process, the minister said on Tuesday. Public Health Minister Ferozuddin Firoz, introducing a ‘license agreement for chain pharmacies’ plan, said the plan had been prepared by the National Medicine & Health Products Regulatory Authority (NMAHPA) and approved by the Presidential Palace.

He said the 16 chain pharmacies would be created across the country according to the plan. Seven of the stores would be created in areas across the province.

KABUL - Afghanistan may not meet its commitments to mitigating poverty, securing peace and establishing an inclusive society, says a global watchdog.

In a report issued on Monday, Transparency Interna-
tional said the Afghan government’s anti-corruption efforts were insufficient to achieve the targets set out by the UN’s Sustainable Development Goals (SDGs).

Adopted by 193 nations, the SDGs seek to end pov-

erty, protect the planet and ensure prosperity for all by 2030. The global community has committed to a series of governance targets under Goal 16: Reduced inequalities, and Goal 17: Partnerships for the Global Goals (SDGs).
