KARUL - While dealing over the poor performance of Kabul municipality, President Moham- mad Ashraf Ghani said corruption and injustice have to be stopped in the province.

During a meeting with members of parliament from provincial council of Kabul, Ghani said the current system of the municipality is un- acceptable and it needs fund- ing from Kabul.

The government decided to un- lump the unspent sums into planned ones in Kabul to prevent land- grabbing issue in the future, Gha- ni said in the statement.

Ghani criticized the poor perfor- mance of Kabul municipality and a number of other depart- ments that lacked the capacity to properly utilize their budgets.

About people's role in the city, he said Kabul was managed by its dwellers, so the citizens' problems could not be solved without their cooperation.

He added, ‘After discussing the construction of Darul Aman Palace, he said the government had a comprehen- sive plan...’
