Escalating violence is an ominous sign, the Afghan government has re- iterated in its statement that it is committed to a peaceful and orderly transi- tion in Afghanistan but it is important that the process must be led keeping stability and cultural integration. However, it cannot be said that there are political amendments within a short span of time; otherwise, neither reinteg- ration would continue for two years and then there would be grand Jirga where further deterring the process. Currently, many crucial decisions that were promised in the past have not been taken into account.
