KABUL - The shifting of about
$600 million from an account meant for Afghan security
forces would have no adverse effect on their readiness, says the US military.

$600m Shifting won’t Affect Afghan Forces’ Lethality
The shifting of about 600$ million from an account meant for Afghan security
forces would have no adverse effect on their readiness, says the US military.

Online Business in Afghanistan
Improving Despite ‘Hurdles’

KABUL - Online business has
seen a “massive growth” in
the country over the past three
years despite some “hurdles”
on the way of this sector, own-
ers of online shopping centers said, adding that their sales in-
creased by 10 times last year.

KABUL - Sheikh Abdul Rahman ibn Abdul Aziz al-Sudani, the leading Imam
and Khateeb at al-Masjid al-Haram, has encouraged the Muslims to pardon and re-
concile with each other during the holy month of Ramadan. In his Friday sermon, he
said, “Ensure that you make this month of fasting one of the initiatives. It is certainly
praiseworthy to take the ini-
tiative to receive the month
properly by repenting to Al-
lah, reading the Quran much
with contemplation, pardon-
ing and reconciling with oth-
ers, setting grudges and mal-

5 Pro-Govt Fighters
Killed in Maidan Wardak Attack
KABUL - Five pro-government fighters have been killed and nine
others wounded in a Taliban attack in Behsud district of central Maid-
abul. According to officials, at least 100 online business owners of online shopping centers
in Kabul are operating in Kabul.
