Mazar-i-Sharif - The head of provincial council for northern Balkh province
on Tuesday said local govern-
ance in the province was fac-
ted with problems but ef-
torts were on to introduce substantial reforms.

In an exclusive interview with Pashtoj Afghan News the governor
Mohammad Ibrahim Khairan-
dad discussed the situation
and public health departments of reg-
nogrances and blamed security
forces for interfering in some legal
issues.

He said that around 500 persons visit the provincial council in connection
of their cases daily. The new provincial council office started function-
ing seven months ago at the office.
